EDUCATION

Aditya College of Engineering, Madanapalle

Bachelor of Technology in Computer Science and Engineering

GPA-(6.5/10.0)

August 2022 - April 2026

Sri Siddhartha Junior College, Madanapalle

Intermediate (MPC)

Percentage: 57%

2020 - 2022

EXPERIENCE

Backend Python Intern

ImperiumOfficial

August 2025 – November 2025

Pune (Remote)

- Built and deployed FastAPI-based REST APIs to trigger ML model training and handle scalable data processing workflows.
- Designed and integrated PostgreSQL for efficient data storage, retrieval, and backend performance optimization.
- Integrated backend with React frontend, enabling secure API communication and real-time dynamic data delivery.

PROJECTS

AI-Powered Recommendation System | Python, FastAPI, React, PostgreSQL

Aug 2025 - Nov 2025

- Developed a scalable FastAPI server structure, designing specific endpoints to handle user data processing and machine learning model inference.
- Collaborated on the client-side integration, connecting backend services to the React application to deliver dynamic, real-time content.
- Deployed the backend environment using Uvicorn, managing dependencies and environment variables to ensure production readiness.

Insurance Fraud Detection System | Python, Scikit-learn, XGBoost, LightGBM, Pandas

2026

- Developed an end-to-end Machine Learning system to detect and classify fraudulent financial transactions.
- Implemented data preprocessing, feature engineering, and handled class imbalance using SMOTE for improved fraud detection.
- Trained and compared models (XGBoost, LightGBM, Random Forest), achieving strong performance using F1-score.

TECHNICAL SKILLS

Languages: Python, C, SQL, JavaScript, HTML, CSS, Java, SAP Fundamentals, SAP ABAP

Frameworks: React, Node.js, FastAPI, TailwindCSS

Developer Tools: Git, VS Code, GitHub, Postman

Libraries: Pandas, NumPy, Matplotlib

CERTIFICATIONS

- Data Science – SkillDzire (2025)
- Python Intern – ImperiumOfficial (2025)
- Full Stack Development (MERN) – SmartBridge (2026)

ACHIEVEMENTS & ACTIVITIES

- Coordinator for ANOKA 2024 college fest, managing event activities and team coordination.
- Participated in Project Expo (Feb 2024), presenting technical project.
